

Tami Baxter – Social Director

Tami is the Human Resource Manager for The Flying Lark and Grants Pass Downs. Tami was introduced to the HR world in 2016, as an Administrative Assistant for a skilled nursing facility in CA. Quickly promoting and managing two buildings, she thrived working in a fast-paced setting - helping keep the admin team above water and the buildings adequately staffed. She found her love for HR and Payroll here.

Tami and her husband moved to Oregon May of 2020, where she accepted a position as HR/Payroll Manager for a skilled nursing facility in Grants Pass. She had an extremely hard time leaving her Admin. Assist position in CA, as it was where Tami had the opportunity to “grow up” in the workplace and let her true self shine. Yet she was extremely excited for the new adventure.

Tami is passionate about being a great leader, helping others, always learning, and creating a positive work environment for herself and her team. She was lucky enough to find the work environment/culture and team that she has always dreamt of at The Flying Lark in 2021. Outside of work, Tami’s passion is her little family, all things Disney, and keeping a good foundation in her friendships – life gets too busy!

Tami plans to pursue her SHRM-CP this year as well.

Stay humble. Stay hungry. Much love!
