

## **Secretary - Tanya Haakinson, PHR, SHRM-CP**

Tanya is the Safety Director for Timber Products, a Wood Products company with 13 diverse locations around the United States totaling 1200 employees. She has worked in the field of Human Resources since 2002 and Safety since 2012, with positions held such as HR & Safety Manager, HR Manager, Staffing Supervisor, Recruiter, HR Assistant and Operations Supervisor.

Tanya holds an AA degree in Business (2007), a BS in Business Management (2009) and a Human Resources Management Certificate (2009). Tanya earned her Professional in Human Resources (PHR) certification from the Human Resources Certification Institute (HRCI) in June 2011, additionally she earned a SHRM-CP in November of 2015. She earned her Safety & Health Leadership certificate from the OR-OSHA Outreach Institute in 2013.

Tanya has served on the Rogue Valley SHRM board since 2010 in various roles like President, Past-President, President-Elect, SHAPE Director, Membership Director, Programs Director, Foundation Director and Secretary. Tanya is a big believer that working in both HR and Safety, she can help bridge a gap in her employer's workplaces. Tanya also serves on the American Society of Safety Professionals (ASSP), Redwood Safety Association (RSA), Rogue Valley Advanced Manufacturing Partnership (RAMPup), STEM Alliance and a past member of the Rogue Workforce Partnership board; a local board of private and public sector businesses established to help shape and grow our economic community.
