

Charity started working as an HR Manager for Klamath Algae Products in April of 2017. Prior to that she was a Personnel Coordinator for Lithia Klamath Falls from 2001 to 2006. Between Lithia and KAP, she has worked as a Full Charge Bookkeeper and Cash office/Payables. She is also a Music/Concert and Lifestyles Photographer. She has her degree in Photography and have been artistic her entire life. Charity feels that her photography career has helped her so much in my HR life. She enjoys helping people in attaining the goal in their lives along with helping when they are in need. Charity has also played a big roll with Junior Achievement in Klamath Falls in teaching children about business and also being a part of their board from 2002 to 2006. This is Charity's first year on the RV SHRM Board.
